### 1.0 <u>Introduction</u>

The purpose of the final annual budget is to provide members with details of the expected financial position of CHA for 2022/23 based on the main assumptions employed. The information contained within the budget was provided by and discussed with staff members.

The starting position at 01/04/22 is based on the annual budget for 2021/22 with changes to reflect the actual results to March 2021, to reflect the fact that any pension deficit payments made in 2021/22 will be charged to the SOFP, to reflect no bin shed spend in 2021/22, to reflect lower new build spend and changes in expected debtors. Loan arrangement costs together with an estate management app cost will now be incurred in 2022/23. The annual budget for 2021/22 indicated a surplus for the year of £76k and cash balances of £1.559m. Based on the aforementioned changes the updated position is a surplus for 2021/22 of £331k and cash at March 22 of £1.9m.

The draft budget discussed in January indicated a surplus for the year of £402k.Further discussion with staff has resulted in higher overall repair costs of around £58k.

### 2.0 Discussion

The final budget for the year indicates a projected surplus of around £345k. As always, the projected outturn will depend on the assumptions employed and any changes in the assumptions will result in a change to the expected position.

### 3.0 Main Assumptions

- Rent rise of 4.1%
- Voids of 0.5%
- Bad debts at 0.5%
- Salaries increase by 4% plus increments where applicable
- Overall maintenance provision of £389k
- Loan interest rates pre margin at rate of 1%
- New build completion September 2022
- New build spend totals £3.136m-funded by hag and debt
- Component replacement costs of £254k
- Shared owners buy back costs of £nil
- Furniture costs at £1k

- Gross rent arrears of 3%
- New loan of £2.233m drawn down in 2022/23 to support new build completion
- Loan capital repaid of £130k
- Pension deficit payment of £46k

#### 4.0 Comment

The cash position at April 2022 is projected at £1.905m with the balance increasing to £2.045m by March 2023. This remains a strong position.

Based on the draft budget loan covenant compliance is achieved with headroom of £340k.

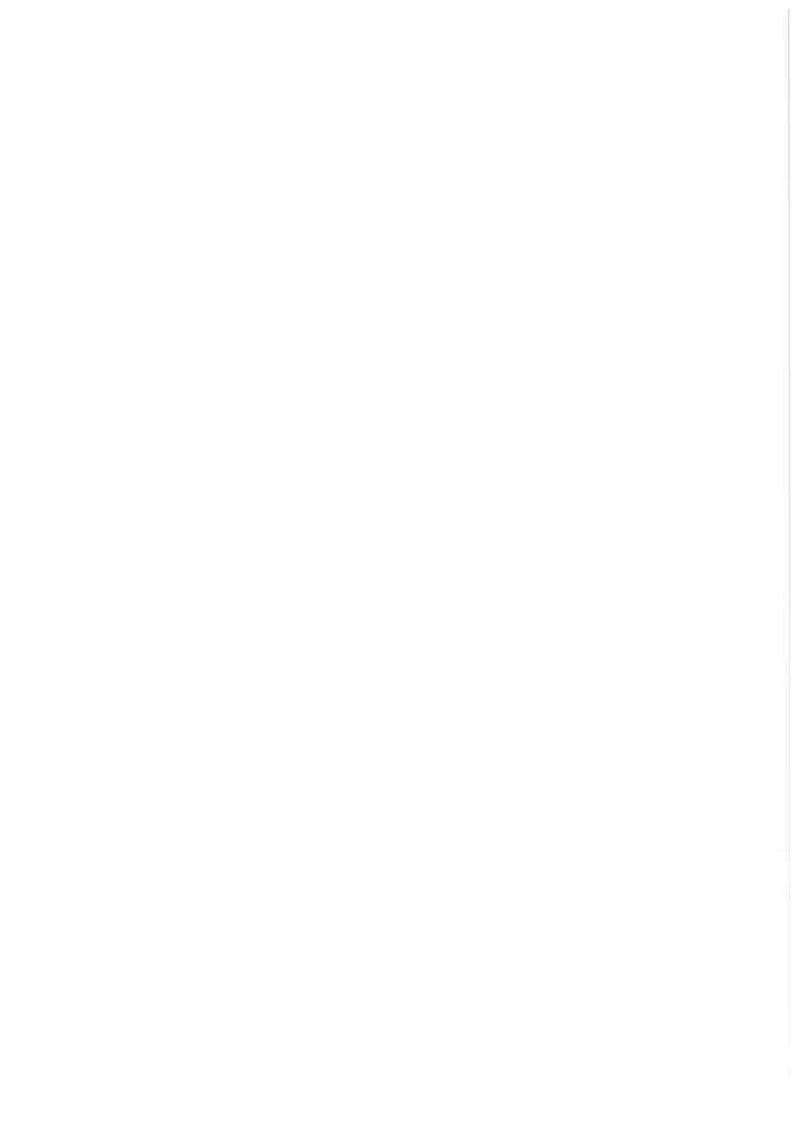

Management costs per unit, staff costs as a % of turnover and surplus ratios continue to show positive outturns. Debt per unit increases due to the RBS loan facility for the new build project.

Updates to the long-term projections shall be carried out in the immediate future and shall form the basis of the 5-year budget submission to SHR.

### 5.0 Recommendation

Board Members are requested to:

CONSIDER and AGREE the final budget for 2022/23.
