## 1.0 PURPOSE

The purpose of this Report is monitoring the budgeted income and expenditure on a quarterly basis through our Management Accounts.

# 2.0 STATEMENT OF COMPREHENSIVE INCOME

The budget for the 12 months to 31 March 2025 projects a surplus of around £233k. The actual results for the same period show a surplus of around £317k. There is therefore a positive variance for the year to date of around £84k (December £46k).

This variance arises primarily from the following items-

- Lower voids £7k
- Lower management costs £12k
- Lower overall repair costs £33k
- Lower bad debt costs £6k
- Lower wider action/community costs £3k
- Lower net interest costs £22k
- Lower medical adaptations costs £1k

Details of main variances are noted within the management accounts attached.

## 3.0 STATEMENT OF FINANCIAL POSITION

The Statement of Financial Position at 31 March 2025 is showing net assets of around £8.06m.

Capital spends for the year of £162k under budget. This is primarily due to lower than anticipated spend on Glenacre Road (Phase 11) development. Costs to date include five boiler replacements, three-bathroom replacements plus contact costs for bathrooms. The first valuation has been paid on the Glenacre development (CHA out of pocket currently).

The cash position of the Association is showing a positive variance of around £20k and remains healthy at £2.04m.

Debtors currently stand at £102k and short-term creditors at £133k. A breakdown of what makes up these figures can be seen on page 4a of the accounts.

Long term loans now stand at £3.1m and the pension liability is currently showing a balance of £140k.

Deferred Capital Grant Income is showing on the Balance Sheet at £11.4m.

### 4.0 FINANCIAL RATIOS

There are no material concerns regarding any of the ratio results noted on page 8.

Main issue is the overspend on the non-budgeted costs incurred for major repairs (£99k) although savings on other planned works have arisen to compensate for this.

## 5.0 FINANCIAL COVENANTS

There are no issues regarding loan covenant compliance for the period. Covenants are monitored during the year and formally tested based on the annual accounts.

Work shall now progress on finalising the annual accounts for the year. Adjustments shall be required for factoring accounts issued, component accounting, pension accounting changes and any further accruals or year end adjustments.

### 6.0 RECOMMENDATIONS

The Audit & Assurance Committee Members are invited to:

- Approve the Management Accounts for the period to 31st March 2025.
- Note that no change to the variance reporting threshold is being recommended at this time.
- Note that a copy of the accounts has been forwarded to the lenders per their non-financial covenant requirements.

### 7.0 RISK AND FINANCIAL IMPLICATIONS

A failure to monitor financial performance against targets could ultimately lead to cashflow issues, a failure to deliver a high-quality housing management and maintenance programme and potential breaches of loan covenants.

### 8.0 GDPR

There are no GDPR implications for the association at this present time, however this will be continuously reviewed.

# 9.0 EQUALITY & HUMAN RIGHTS

Craigdale Housing Association is committed to promoting an environment of respect, understanding, encouraging diversity, and eliminating discrimination by providing equality of opportunity for all.
